

The American Association for Laboratory Accreditation

2006 A2LA Aerospace Program Meeting

We invite you to join us for the inaugural Aerospace Program Meeting to be held:

•Tuesday, September 26, 2006 from 9:00 AM until 5:00 PM at the Sheraton Columbia Hotel in the Lakeview B meeting room.

This Aerospace Program Meeting is intended to be the foundation for forming an Aerospace Advisory Committee. A2LA develops advisory committees for fields of testing or program areas if advice is needed beyond that which can be obtained from existing consensus standards writing and industry committees. The Aerospace Program Meeting is open to specifiers (Primes), laboratories, assessors and other parties with interest in physical chemistry, mechanical and nondestructive sciences relating to metals, polymers, aerospace materials, etc.

Please notify us if you plan on attending by filling out and returning the attendance form on page 2. Please return the completed form at least two weeks prior to the meeting by, September 12, 2006. It is critical that you accurately complete this form and return it in a timely fashion. Submit the completed form by faxing to 301 662 2974, or by email to rmiller@a2la.org. You may also register on-line by clicking [here](#)
