**Part I: Instructions**

**A. General Information** - In order to achieve A2LA medical testing accreditation, laboratories are required to have an official copy of ISO 15189:2012. There are a number of sources for ordering this international standard. Please visit the A2LA web site at [www.A2LA.org](http://www.A2LA.org) to view some of these sources. Once you have obtained a copy of ISO 15189:2012 under the fair use clause of U.S. copyright law, A2LA will provide you with electronic copies of the relevant ISO 15189:2012 Assessor Checklists, containing the full text of the standard. A completed assessor checklist must be submitted as part of your application for accreditation. To obtain the ‘full text’ checklist, please complete the following form and email it to A2LA.

**B. Affidavit** – By signing this affidavit you are confirming that you have obtained an official copy of ISO 15189:2012 and will be able to show the copy to the assessor during the on-site assessment.

**Part II: Form**

**A. General Information** - To obtain the C650 – A2LA Medical Testing Program General Requirements –ISO 15189 Checklist, please complete the following form and email it to A2LA.

1. Your Name  
2. Laboratory Name

3. Laboratory Address

   Number and Street

   City                  State                  Zip Code

4. Email Address  
5. Telephone Number

**B. Affidavit** - I hereby confirm that I have obtained an official copy of ISO 15189:2012 and will be able to show the copy to the assessor during the on-site assessment.

1. Your Name  
2. Your Signature  
3. Today’s Date

**C. Assessor Checklists** – Place a check mark next to the checklists that are relevant to your requested scope of accreditation. If you are unsure as to which checklist to select please call the A2LA Office at 301-644-3248 for assistance.

Requirements for accreditation in the medical field of testing for ISO 15189 only, without exception:

- **C663 – Proficiency Testing Checklist**: Contains the A2LA requirements (from ISO 15189 and the CLIA standards) for proficiency testing for medical testing laboratories.
Requirements if the laboratory has collection sites or requests accreditation for Point of Care testing

- **C613 – Point of Care (POCT) Checklist** – Contains the A2LA special requirements (from ISO 22870) for assessing POCT.

- **C660 – Specimen Collection Site Checklist** - Contains the A2LA special requirements (from ISO 15189) for assessing Collection Sites.

D. **EMAIL** ([info@A2LA.org](mailto:info@A2LA.org)) **THIS FORM TO A2LA.** Your copy of the relevant Assessor Checklists should be forwarded to you within 5 working days.
